

"Education cannot be effective unless it helps a child open up himself to life."

School Rules

Common Offences which will not be allowed at the school are:

1. Swearing
2. Fighting
3. Bullying
4. Biting
5. Back chatting
6. Harassment
7. Stealing
8. Vulgar behaviour
9. Disobedience
10. Damaging the schools property on purpose
11. Disobedience

How we deal with these offences

- ❖ Your child will be placed in time out for as long it takes for him / her to realise that their offence/behaviour is unacceptable.
- ❖ It could lead to privileges being taken away .e.g. staying indoors during playtime, being excluded from certain activities.
- ❖ Should the offences be repetitive and we are not able to resolve them the childs parents will be notified and will be called in to discuss with the principal.
- ❖ Should the parent or principal not be able to help the child improve his/her behaviour we will refer the parent to a Psychologist or Social Worker.
- ❖ We encourage (will not be forced) that the child apologizes for their misbehaviour.
